Great! I will email Mike and copy you to see when the best time we could take. I also think it would only be more beneficial if Lyndsey was on the call as well.

Hi Chad. I think that is a great idea. You can coordinate with Mike if you want or I can try to set it up. Obviously, you both will need to select the days you are both available. Hopefully, I will be available.

I am still catching my breath here in the office. Juggling a lot of things. FOIA for the rad sites and other things. We will regroup soon to prioritize

Hi Eric –

Hope you are doing well. I wanted to see if it was ok with you if I scheduled a time to call Mike Basile and discuss NFB history. If you are available, I think it might be a good thing if you were on the potential call. Please let me know what you think when you have the opportunity.

Thank You

Chad
